## Glossary of Terms

### Audit Status:

There are three possible stages of certification:

**Organiser's Statement - Subject to Audit** - The organiser has provided event data which has been prepared in accordance with ABC rules but not yet been audited by ABC.

**Audit Complete** - ABC have audited the Organiser's Statement and reported no changes to the data.

**Audit Report - Audit Complete** - this is a statement issued by ABC when problems found at audit show that there were material errors in the organiser's original return submission and subsequent certificate. A revised certificate is issued with the audit report entered on the front page of the certificate.

The audit status is shown at the top of each page of the certificate.

### Total Unique Attendance:

The Total Unique Attendance is the number of individuals who attended the event.

### Event Details:

Details of the current and next scheduled event, including:

Year Established: The year in which the event was first held .

Event Sponsors: If claimed, a list of any sponsors will be shown .

Organiser's Association Membership: If claimed, a list of any associations to which the event is registered/affiliated.

### Organiser's Descriptions:

A free text area on the certificate is available for the organiser to describe the main products & services exhibited and the target audience. Neither of the descriptions are audited by ABC.
